SEIU Obama Call Center

Plechette makes calls on our computerized system at the Houston union hall.

"This is the most important election of our lives. Come to the SEIU office and help swing Texas for Barack."

SEIU OBAMA
VOLUNTEER

On Friday, February 15, the Service Employees International Union (SEIU), the largest union in the country, endorsed Barack Obama for president.

To help Obama win and give supporters an additional resource, SEIU is launching SEIU Obama Call Centers all over Texas. At our union hall, we have a predictive dialer -- a computerized system that automatically dials the numbers of thousands of registered voters. It saves callers the time of having to look up and manually dial numbers, thus maximizing contact with voters. With all stations full, in a matter of hours, we can reach thousands of voters. But it takes volunteers to fill the seats!

**Come to the SEIU San Antonio Office
Mon., Feb. 25 – Tue., Mar. 4**

We'll be calling daily in four shifts:

You can sign up for a 3-hour shift by contacting Rosanna Mendez.
